

**Carl Becker from Axis Strategies.**

**Specialist Consultant to  
Integrated Schools:**

**AXIS STRATEGIES**

Scaffolding Great Ideas

Carl Becker has had over 10 years of experience consulting and serving Integrated Schools, in addition to a career in state education culminating in 8 years as a principal of a 650 student Intermediate school. He has recently served 5 years on a land trust that owns four schools and three preschools and on a proprietor trust for 8 schools. He has also been on four Integrated School boards as a professional proprietor trustee, three of these as a board chair for a season.

**Carl is endorsed by NZ School Trustees**

**Association** to support boards in the following areas: Principal Appraisal, Professional Development and in the appointment of a new principal.

**Statutory Service Provider- Ministry of Education:** Carl is a approved Statutory Services Provider for the ministry of education. The Ministry of Ed states: he has good knowledge of effective governance, through understanding Boards systems and processes as well as understanding the difference between management and governance. He also demonstrates a good knowledge of collaboration, including facilitation and conflict resolution, ... and has a specialist skill in effective communications with specialist expertise in the role of the board, proprietor and management in Integrated schools.

Carl has professional experience providing high-quality services in the following areas across a wide range of integrated school contexts:

**1. Land Trusts and Proprietors:**

- Integration Applications
- School design
- Maximum Roll Increases
- Strategic Planning
- Developing Special Character documents for use by school boards and management
- Professional Trusteeship on behalf of the land trust on a school board
- Special Character audits and implementation models
- Support and guidance in working through challenging contexts

**2. Board of Trustees:**

- Principal Appraisal-

- Special Character Reviews
- Principal Appointments- Had training by the School Trustees Association.
- Strategic Planning
- Board Training in Governance and Management
- Development of Board Governance Manuals
- Support and guidance in working through challenging contexts
